

02 February 2022, Wednesday, **14h00**

@ Zoom: <https://videoconf-colibri.zoom.us/j/85852773257>

CEDOC SEMINAR

Identifying genetic modifiers of human disease with iPSC-based systems, *Angel Raya* (Program for Clinical Translation of Regenerative Medicine in Catalonia, Spain)

Host: José Belo

04 February 2022, Friday, **16h00**

@ Zoom: <https://videoconf-colibri.zoom.us/j/85749813503>

CASUAL FRIDAY WITH SCIENCE

Gene therapy approaches to restore ciliary function in CRISPR-Cas9 zebrafish mutant models of Primary Ciliary Dyskinesia, *Margarida Rasteiro* (S. Lopes Lab)

09 February 2022, Wednesday, **12h00**

@ Zoom: <https://videoconf-colibri.zoom.us/j/83338651245?pwd=T0NEV2s4eDRIN0lV01VbjFoRUhPOT09>

CEDOC SEMINAR

To be announced, ***Jimena Baleriola*** (Achucarro Basque Center for Neuroscience, Spain)

Host: Cláudia Almeida

11 February 2022, Friday, **16h00**

@ Zoom: <https://videoconf-colibri.zoom.us/j/85749813503>

CASUAL FRIDAY WITH SCIENCE

Innate behavior control by neuropeptidergic signaling in *Drosophila*, *Magdalena Fernandez* (A. Gontijo Lab)

& Liposomes incorporating a novel metal-complex: An alternative and effective treatment against colorectal cancer, *Melissa Teixeira* (D. Barral Lab)

16 February 2022, Wednesday, **14h00**

@ Zoom: <https://videoconf-colibri.zoom.us/j/83454450920>

CEDOC SEMINAR

LYSOCIL Talk Cell Regulation by ARF Family GTPases with Recent Focus on Cilia,

Rick Kahn (Emory University)

Host: Duarte Barral

18 February 2022, Friday, **16h00**

@ Zoom: <https://videoconf-colibri.zoom.us/j/85749813503>

CASUAL FRIDAY WITH SCIENCE

Motor neuron boutons remodel through membrane blebbing, *Andreia Fernandes* (R. Teodoro Lab)

& Disclosing lysosomal dysfunction with neuronal aging: a potential mechanism of early synaptic degeneration in Alzheimer's disease, *César Cunha* (C. Almeida Lab)

23 February 2022, Wednesday, **12h00**

@ Zoom: <https://videoconf-colibri.zoom.us/j/88083546899?pwd=QTczdVWXd0Y3UGpWdCt0UThmd2NsZz09>

CEDOC SEMINAR

LYSOCIL Talk To be announced, ***Claire Mitchell*** (Penn University)

Host: Miguel Seabra

25 February 2022, Friday, **16h00**

@ Zoom: <https://videoconf-colibri.zoom.us/j/85749813503>

CASUAL FRIDAY WITH SCIENCE

SPECIAL SEMINAR A healthcare bootcamp...in 30 minutes, *Maria João Jacinto* (Patient Innovation, NOVA Medical School)

CHALK TALK (MONDAY)

For CEDOC Principal and Responsible Investigators
